

Grizzly Soccer Academy

What is Grizzly Soccer Academy?

The Grizzly Soccer Academy (GSA) is structured to provide advanced soccer training to the youth of Wadsworth. GSA is not structured to be a club, but rather a different opportunity towards soccer training in the community of Wadsworth. GSA is designed to offer challenging training sessions that will develop technical and tactical ability.

Eligibility

Players must reside within the Wadsworth City School District or attend a school within the Wadsworth City School District to be eligible.

Cost

GSA is structured to be a 1 yr commitment. The cost for the entire year (fall, winter, spring) is \$450. Each session is \$150 and billed separately. Fall is a minimum of 2 trainings and 1 game per week. Indoor includes 1 training per week and indoor session #2 (usually played at the Lodi facility). Spring is a minimum of 2 trainings and 1 game per week. The price does not include a uniform (2 jerseys, 1 short and 2 socks; ~\$70) nor does it include any tournaments that the team decides to attend.

Coaching

A paid trainer will be the primary coach for the team and is responsible for all the training sessions. We also like to have a parent coach to help at the training sessions and games. The parent coach will also help with the administrative duties for each team.

We ask for a 1 yr commitment from the players which means their intention is to play in the fall, winter and spring seasons. Many of our players are involved with other sports and do just fine. We ask for a 1 yr commitment from the parents to encourage their player to attend everything. All players need a little nudge every so often. Bottom line...GSA is looking for players and parents who want to put the time and effort into becoming a better soccer player.

Please visit the Grizzly Soccer Academy website at www.grizzlysa.com for additional information and contact information.
